

## DAE participates in Bangalore Bio-2005

The Department showcased its activities in the fields of food & agriculture in the Bangalore Bio-2005 held at Bangalore, Karnataka, during April 22-24, 2005. A large number of visitors visited the exhibitions. DAE's pavilion was adjudged as the "Best Pavilion" amongst the participating R&D organisations.

Shri S K Malhotra, Head, Public Awareness Division, DAE received the Award from Shri P G R Sindhia, Minister for Industries & Infrastructure and Civil Aviation.

Smt. Vasundhara Raje, Chief Minister, Rajasthan, at the DAE Pavilion

Visitors keenly going through the DAE Exhibits

This module can be coupled with non-invasive cardiac output monitor for monitoring peripheral vascular resistance of the patient and can also be used as a stand alone instrument with a microcontroller and a display unit.

### Applications

NIBP Module is used in ICUs, the recovery room and during surgery for monitoring the arterial blood pressure and peripheral vascular resistance.
